ASSUMPTION OF CONTROL

I. ASSUMPTION OF CONTROL

Defined: The Local Fire Protection District/Authority/Department may delegate the assumption of fire control and fiscal management for a specific fire.

A. Authority for controlling the ______________________________ Fire burning in ______________________________ Fire Protection District is to be assumed by Boulder County.

B. Delegation of authority is for the fire area (“box”) defined as:

_____________________________________________________________________

will become effective at ________ hours on ____________, 20__ and is acceptable to signatory parties below.

II. PAYMENT OF COSTS INCURRED

A. Boulder County is responsible for costs incurred for the following:

☐ Suppression, control and containment of the fire.
☐ Evacuations and closures
☐ Media and public information
☐ Technical rescues within fire perimeter

__________________________________________________________

__________________________________________________________

B. The Fire Protection District is responsible for costs incurred for the following:

☐ Jurisdictional fire suppression resources
☐ Medical, all-hazards and all standard fire and rescue services typically provided outside fire area
