

BCFFA EMS Minutes

Call to Order @ 1800

Attendance: AMR, Allenspark FPD, Boulder County Sheriff, Gold Hill FPD, Lefthand FPD, Nederland FPD, Timberline FPD

Treasurer Report- Dave Booton Sheriff- Balance is \$ 6643.35 All RETAC funds were spent for 2012. 2013 remaining funds need to be spent ASAP. Funds from RETAC go to Boulder County Commissioners who then gives those funds to BCFFA EMS. The 2014 RETAC subsidy grant funds will probably go to BCFFA again.

BCFFA EMS Conference to be held on January 18, 2014 at Longmont United Hospital. One day event with 7 hours of CE offered. ALS and BLS combined audience.
Flyer going out to BOCO first and then to COEMS List serve

County wide training calendar discussed with Bryan Fleming and Jonathan Greenwald. BOCO agencies will have the opportunity to submit their dates to AMR. Agencies that will combine are Four Mile FPD, Sunshine FPD and Gold Hill FPD. Four Mile and Sunshine FPD will alternate each month and Gold Hill FPD will attend either. Nederland FPD and Lefthand dates conflict- They will alternate months when AMR provides training. All agencies are invited to attend any training being conducted.

Other FPD's who have low attendance will be contacted by AMR to discuss combining with nearby FPD's for better utilization of this opportunity.

AMR will add a monthly CE date at AMR Boulder as another opportunity for folks to attend.

Discussion of cancellation of training procedures due to weather still remains unresolved. Suggestion to use Everbridge is not the best option as too few agencies utilize that platform. Agencies are unable to tone out cancellation of training anymore via Boulder County Communications Center. Options include Google Groups or email that agency contact and that agency will use whatever means to disseminate that training has been cancelled.

Agreement was made to allow 3 hours before the scheduled training to notify the agency involved and AMR will use their internal weather policy to determine whether or not training needs to be cancelled.

AMR has an ambulance dedicated to training with a new high tech training manikin along with other training aids. Jonathan Greenwald will drive this unit to the agency where training is to be held.

Adjourned Meeting @ 1900

Next Meeting Feb 6, @ 1600

EOC Boulder 3280 Airport Road

Not AVAILABLE since these minutes were written.

Will be held at Boulder Rural @ 1600-1700
