AMR/BoCo EMS Education Proposal – Passed/Approved by EMS Committee

Per Moran

- Addresses majority of concerns raised in past
- Has been open for feedback for substantial period of time
- Noted: Sugarloaf wants training at their station; Indian Peaks wants their training model continued

Per Chi

- Locations and dates of trainings can be adjusted with ease
- Not able to add more hours to overall schedule

Education & Training

- EMT class, Nederland FPD - on track for Fall 2023
- EMR - discussion re consolidation of teaching resources
- ALS - available through both NFPD and AMR
 - NFPD - send your certs to C. Moran to enable consolidation of ALS training to meet recert timelines
 - AMR - provides AHA classes throughout the year

Medication Shortage - Albuterol Sulfate Inhalation Solution

Per Chi - Akorn filing for bankruptcy. Other producers need time to ramp up. AMR will soon be out of albuterol. They will substitute Xopenex, but are unable to distribute it to County agencies. Expect ventolin MDI to be available instead.

MCI Training

- BCSO to provide training on new Boulder County MCI plan, incorporating law, fire, EMS, RTF deployment
- Lyons FPD planning active shooter exercise mid-summer, open to all County agencies

RETAC Funds

Per Ryan Singer

Reminder, RETAC funds are available to the EMS Committee
