

## **AMR BOULDER PARAMEDIC REFRESHER 2018**

Held at Boulder Rural Fire, 6230 Lookout Road, Boulder

9am—5:00pm Daily

AMR Boulder is delighted to announce our 2018 paramedic refresher class. Students who attend **all** the classes will have met the core and flexible content requirements for NREMT recertification at the paramedic level. However, it is not mandatory to attend all classes – students may attend just the classes they want on an as-needed basis (but must attend for a minimum of two hours in order to receive credit).

This class is offered at no cost to Boulder County-based EMS providers. Preference for enrollment will be given to paramedics, but the course is also suitable for motivated EMTs, who may also attend and receive credit toward recertification.

Each day will comprise of a working lunch, so please bring your own food. Please enroll by sending an email to [Richard.estep@amr.net](mailto:Richard.estep@amr.net) indicating whether you want to enroll for the entire course or for specific sections.
