

Proudly Presents
The 2016
Tactical Leadership on The Fire Ground
April 21st – 24th

This course is intended to provide the participant with the next level of fire ground understanding and confidence.

This training is designed for those that may find themselves in the Front Right Seat of the initial arriving apparatus and/or looking to become a Company Officer.

This course effectively blends both classroom lecture and demonstration with live fire evolutions. Classroom portions will take place at the Sky Ute Casino Resort.
