

Wildland Fire Investigation: Case Development (FI310)

DATES: March 13-16, 2017

LOCATION: Great Basin Coordination Center
401 Jimmy Doolittle Road
Salt Lake City, UT 84116

DURATION:	Pre-selection Assessment	2
	Pre-course Work	13
	Online Training	N/A
	Instructor-led Training	36
	Total Hours	51

TUITION: \$250.00

PREREQUISITES: Course includes extensive pre-course work reading, exercises, and a test. Enrollment is open to full-time, Federal, State, or local law enforcement officers or fire management personnel who have responsibilities for the investigation of wildland fires. Students must have successfully completed FI-210 before registering for this course.

BLM personnel are required to fill out the Law Enforcement Training Nomination form in addition to the regular training nomination.

PREWORK DUE: March 13, 2017; it is due on the first day of class.

COORDINATOR: NOMINATIONS SHOULD BE SENT TO:
Deb Hamill
PHONE: 801-539-4131
FAX: 801-539-4198
EMAIL: dhamill@blm.gov

LEAD INSTRUCTOR: Mike Heath

NOMINATION DEADLINE: February 15, 2017

TARGET GROUP: LE&I and NWCG qualified Wildland Fire Investigator personnel desiring to become qualified as Wildland Fire Investigation Team members (INTM) for complex, serial arson investigations.

COURSE DESCRIPTION:

The course is a combination of lecture, break-out sessions, and a practical exercise. In the break-out sessions and the final practical exercise, student teams will plan, analyze, organize, and conduct a complex, serial arson investigation. Therefore it is important the prework is completed prior to class to be able to participate in the break-out sessions and final practical exercise.
