

Retardant Mixmaster Class (MXMS)

March 23rd-25th

Grand Junction, CO

The Rocky Mountain Region BLM and USFS will be hosting an Airtanker/ SEAT Mixmaster class in Grand Junction, CO March 23rd- 25th. The class will run in conjunction with the Combined Aviation Workshop that is taking place earlier in the week. There are 15 available slots for students and there is no tuition for the class. Prerequisites for the class are S-270 Basic Air Operations.

Lodging: There is no room block set aside for the workshop at the Marriott. However, there are several hotel options in the immediate area. Many hotels can be found at the following link.
