This course is specifically designed for operational personnel at the FFT1 level preparing to advance to the single resource boss level. However, it is applicable for any incident supervisory personnel. The course covers various leadership topics and styles and introduces the new leader to some basic skills.

The course is taught through a combination of classroom presentation and short field exercises by current leaders in wildland fire. Students will receive a national Wildfire Coordinating Group certificate upon completion of the course.

There is required pre-work for the class which includes reading an assigned book so late applications will not be accepted.

DATES: April 4 & 5, 2017 0830—1730
