

Denver UASI and North Central Region Training Announcement

The UASI/NCR Training Committee is pleased to announce the following courses.

Course: DHS-037-RESP Intermediate ICS for Expanding Incidents (ICS 300)

CO.TRAIN ID# 1005860 – Select the Evergreen Station 2

Course Length: 8:00AM – 5:00pm (2 days – Saturday and Sunday)

Course Description:

This **2 Day** course that combines an overview of the basic concepts presented in I-200 and expanded upon to include learning objectives of the I-300 Unified Command System. The unified command organization and structure are stressed. Students are exposed to the Planning “P”, Incident objectives, ICS forms and their functions, resource management, demobilization, transfer of command and Incident closeout. Through a series of small group exercises, students will be provided examples of how the essential system principles and components are used in incident planning.

Prerequisites: ICS-100, 200, 700 and 800

Target Audience:

Command or Upper Level Management in the following disciplines: Fire Departments, Emergency Medical Services, Law Enforcement, Public Works, Public Safety Communications, Emergency Management, Public Health, Health Care, Government Officials and Hazardous Materials Technicians

Training Dates	Location of Training
June 24-25, 2017 (Sat & Sun)	Evergreen Fire Station 2 1802 Bergen Parkway Evergreen, CO 80439

NOTE: Effective **October 01, 2007**, this course is **NOT APPROVED** for reimbursement for overtime or backfill from UASI training funds.
