

AMR Boulder

Basic EKG Interpretation

Held at the Boulder Rural Fire Rescue classroom, 6230 Lookout Road, Boulder, on Monday August 7, 14, and 21, from **9am – 5pm**

The class teaches the fundamental principles of 3-lead analysis, along with the associated clinical implications. In order to obtain the Basic EKG certification, students **must** attend all three sessions, and pass a final exam.

There is no required text. *Suggested* text is *Rapid Interpretation of EKGs* by Dale Dubin.

To enroll, email richard.estep@amr.net

Free to AMR Boulder/Longmont/Golden employees & county-based agency responders, this class offers **24 hours** of EMS CE.
