

Certified Burner (CCBB) / Introduction to Agency Burn Boss (RXB3)

This 20-24 hour course is designed to enable attendees to receive basic introductory training in the planning, design and implementation of low complexity "pile" burn projects. Topics include a fundamental review of basic wildland fire behavior, project design, smoke management, legal liability, implementation techniques and the development of site specific burn plans with risk management and project complexity as a foundation.

Private entities, upon successful completion of this course will be enabled to initiate a task book certification process through the Colorado Division of Fire Prevention and Control (DFPC) as a Certified Burner Level B Trainee. Once certified, private individuals may receive limited liability protection from the State of Colorado in the event unforeseen and undesirable events occur on a burn project.

Local, county, state and federal agency attendees, upon successful completion of this course will be encouraged to seek a task book certification through their respective agency as a Burn Boss Type III.

Prerequisites: None for private attendees. Agency attendees must have an NWCG agency currency as FFT1 or ICT5 as well as successful completion of the Intermediate Wildland Fire Behavior (S-290) NWCG course.

Dates: Oct 16th-18th 2017

Times: Oct 16th (1:00 – 5:00 pm); Oct 17th & Oct 18th (8 am – 5 pm)

Location: 30 N. Ash Cortez, CO

Cost: \$40

To Register:

Email **Tanner Hutt**, DFPC Regional Fire Management Officer at tanner.hutt@state.co.us or call **970-787-0880**

Important Note: Private entities must attend all three sessions unless they can meet the agency required prerequisites. Agency attendees, having met the prerequisite training and NWCG qualifications will start the class on **Oct 17th**.
