Train-the-Trainer Emergency Vehicle Operations Course

Please preregister for this class by clicking on the picture below or call (800) 822-3747 x189.

This Train-the-Trainer driver education instructor candidate course covers the skills and knowledge required to safely operate emergency vehicles and the curriculum to deliver the course to other members in the emergency services field. This course is sponsored by McNeil and Company, Inc. and offered at no cost to our insureds. It is offered to better prepare drivers to cope with the extra demands placed upon them in operating in emergency operations. The course can be tailored to meet the needs of individual organizations and address unique situations to your area. The class is designed to be interactive for the students and offers hands on driver training along with classroom activities.

Pre-Requisites:

In order to take this course you will need to log-in to the E-learning Website and take the EVOC Series, consisting of 9 on-line modules prior to sitting for this course.

Upon registering for this course you will receive an email with documents attached. Those will need to be sent back to the office prior to sitting for this course.

Should you need assistance with any of this please do not hesitate to call Katie Niver at 1-800-822-3747 ext. 189.
