

Fire Instructor I Course

North Metro Fire Rescue will be hosting a Fire Instructor 1 class on **March 8-9, 2018 at 1006 Weld County Road 11**. This will be a 16 hour course covering: Role of the Instructor, Safety, Legal Considerations, Psychology of Learning, Public Speaking, and Instructional Delivery (***each student will be creating a fire service oriented presentation***). The class meets the requirements set forth by the Colorado Division of Fire Prevention and Control, Instructor I level.

Ned Sparks, Division Chief with Loveland Fire Rescue Authority, will be facilitating this course, which meets the training requirements set forth by NFPA 1041 for the Instructor I level.

Students are encouraged to read the IFSTA Fire and Emergency Services Instructor text book prior to class. The class content meets NFPA 1041 Fire Instructor 1 requirements and the student will have an outline for a presentation following class. The student must attend both days to obtain a certificate of completion.

This class ***does not provide a written or practical test*** for the State of Colorado, Instructor I certification process. The class will assist the student preparing for the practical test and provides the opportunity to meet other instructors in the emergency service field.

The fee for the course is \$50.00, with checks payable to **North Metro Fire Rescue District**. If you have questions or wish to sign up for the class call **Debbie VanWanseele at 303-252-3502 or dvawanseele@northmetrofire.org**

The class will be limited to 24 students on a first come first serve basis.
