IFSAC- Pro Board Certification Course

Course Description:

This course is designed for the first-line company officer/supervisor manager. The Fire Officer II course satisfies the requirements of the National Fire Protection Association (NFPA 1021), and provides the tools necessary to obtain certification through the Colorado Division of Fire Prevention and Control. Candidates will attend lecture Monday through Friday to prepare for the written exam and will be developing a Job Performance Requirement (JPR) portfolio on-site and are expected to complete additional JPRs at the conclusion of class. It is designed around classroom lectures and group exercises to improve your abilities to manage a single fire company. This includes responsibilities such as effectively managing human resources, community/public relations, fire department organization and administration, including budgets, reports, and planning, fire inspection, investigation, public education and emergency service delivery and safety.

Prerequisite: Attendees must be current Colorado State Certified Fire Officer 1 and Fire Instructor I. Attendees must bring textbook: [Fire & Emergency Services Company Officer \(5th Edition, IFSTA\).](#)

Important! Class Schedule:

Course Runs 0800 to 1700 March 12 - 16, 2018 with JPR assignments due NO LATER THAN CLOSE OF BUSINESS April 6, 2018. Written exams may be scheduled only after completion of practical.

Students will be given a pre-course assignment of completing 2 JPRs that **they must bring with them on the first day** of the class on Monday, March 12th. That morning, each student will be paired with a proctor to discuss the evaluation of their JPRs and any necessary changes to formatting and content. Some JPRs will be evaluated during the week of the course. At the conclusion on Friday, students will be given an assignment to complete the rest of the JPRs assigned to them and will have until April 6, 2018 to submit all of their completed JPRs to their proctor prior to sitting for their exam. Failure to submit final JPRs will result in candidate then being required to submit all JPRs in the traditional method for review.
