

The North Metro Fire Rescue District presents the:
8-Hour Hands on Training
Alternative Search Methodology
Instructed by Sons of Irons
June 27th or 28th – Please be ready to go at 0800

Course objective:

To reverse the psychomotor habitual robotics of search company operations and regain cognitive thought processes to better the effectiveness of search company outcome, crew continuity, and overall personal safety and survival within high hazard environments.

The Alternative Search Methodology Course is designed to accomplish the following objectives:

- Interior item recognition
- Interior reorientation
- VES tactics
- Victim handling and removal
- Search company deployment
- Rope assisted search
- Combating the unexpected actions of victims

Location/Class Dates:

North Metro Fire Rescue Training Center – 1006 Weld County Road 11, Bldg C, Erie

Registration: \$125 per student, lunch provided – **CLASS SIZE LIMITED TO 30 STUDENTS** - Students must bring Full Structural PPE and SCBA with spare bottle
