Together, we can save lives

Our most popular suicide prevention training, Question-Persuade-Refer (QPR), will be offered by Mental Health Partners' expert trainers. This one-hour training highlights how individuals can recognize the warning signs of suicide and how to respond and provide help.

Donations to our suicide prevention campaign are welcome! Contributions will fund scholarships, bilingual resources and more. Please contact philanthropy@mhpcolorado.org for more information or donate online at mhpcolorado.org/donate.
Mental Health Partners is a 501(c)(3) organization founded in 1962 to provide convenient, affordable and accessible mental health care for residents in Boulder and Broomfield counties.
