

UCHealth Disaster Conference 2019

August 8th and 9th, 2019
Bruce Schroff Conference Center
Aurora, CO

What to Expect

This year we're focusing on learning from the lived experiences of professionals who have worked mass casualty incidents, survived disasters, and delivered care in the most challenging of situations. This group of physicians, nurses, medics and firefighters are willing to relive their worst days to help YOU respond well.

What We'll Cover

Best practices of emergency preparedness and response in the healthcare setting
Challenges to providing care in disasters
Strategies to strengthen response and improve outcomes for both victims and responders

Registration

Register now at <https://cvent.me/dYagm> or go to UCHealth.org and click on Classes and Events for listing
\$30 single day/\$60 full conference for UCHealth and affiliates
\$50 single day/\$100 full conference for general/community
Breakfast/lunch included

Continuing Education

Continuing education credit for nursing and EMS is pending.

UCHealth is an approved provider of continuing education by the Colorado Nurses Association, an accredited approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Requirements for successful completion of the educational activity:

- Required attendance of 100% of activity
- Submission of on-line evaluation form- contact hour certificate is available at completion of the on-line survey

This educational activity does not include any content that relates to the products and/or services of a commercial interest that would create a conflict of interest.

There is no commercial support being received for this event.
