

AMR BOULDER

12-Lead EKG CLASS

Held at the Boulder Rural Fire Rescue classroom, 6230 Lookout Road, Boulder, on Tuesday August 27th from **9am – 5pm**

The class teaches basic and advanced principles of 12-lead analysis along with the associated clinical implications. Suitable for EMTs who have taken a Basic EKG course, and for paramedics who want to brush up/learn something new.

There is no required text. Please bring your own food for a working lunch.

To enroll, email richard.estep@amr.net

Free to AMR Boulder/Longmont/Golden employees & Boulder county-based agency EMTs/paramedics, this class offers **8 hours** of EMS CE.
