

## You are Cordially Invited to a Virtual CME Activity

**Date: Tuesday, Sept 14, 2021**

**Time: 12:15 p.m. -1:15 p.m.**

**Location: Webex**

### **“Getting Kids Back in the Game: Patellar Dislocation and MPFL Reconstruction”**

**Presented by:**

**Andrew Pytiak, MD - Pediatric Orthopedic Surgeon**

**Objectives: At the conclusion of this activity, the learner will be able to:**

1. Describe the initial assessment of knee injuries in pediatric patients.
2. Discuss treatment options for knee injuries, including patellar dislocation.
3. Recognize patients who would benefit from surgical intervention, including medial patellofemoral ligament reconstruction.

#### **Commercial Support**

This Activity was developed **without** support from any ineligible companies.

- *Ineligible Companies: This Activity was developed without support from any ineligible company. The ACCME defines ineligible companies as "those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients."*
- **Note:** The ACCME does not consider providers of clinical service directly to patients to be ineligible companies – unless the provider of clinical services is owned, or controlled by, and ACCME-defined commercial interest.

#### **Accreditation Statement**

The HealthONE Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

#### **Designation Statement**

The HealthONE Health System designates this live activity for a maximum **1.0 AMA PRA Category 1 Credit™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Disclosure:** There are no relevant financial relationships to report for those individuals in a position to control the content of this CME Activity
