

Colorado River Fire Rescue

2022 Wildland Fire Academy

Colorado River Fire Rescue is hosting a spring wildland fire academy. CRFR instructors share a variety of experiences in wildland fire. Our instructor cadre brings experience from a combined knowledge of over 50 seasons in fire with experience gained through employment on; Helitack, suppression modules, type 2 crews, type 2 IA crews, Interagency Hotshot Crews, BLM Smokejumpers and both federal and cooperator Type 3, 4, 5 and 6 engines.

Classes Offered

S-130/S-190/L-180/ICS-100/IS-700 Firefighter Training, 7-9 March \$180 per student

The intent of this course is to train new firefighters in basic firefighting skills. This includes a required field exercise that may be arduous in nature. You will leave this course with everything you need in order to obtain a red card. Training will include classroom discussion, sand table exercises (STEX) and field sessions.

S-131 Firefighter Type 1, 14-15 March \$120 per student

S-131, Firefighter Type 1 is designed to meet the training needs of the Firefighter Type 1 (FFT1) and/or Incident Commander Type 5 (ICT5). Training will include classroom discussion, sand table exercises (STEX) and field sessions.

S-215 Fire Operations in the Wildland Urban Interface, 21-22 March \$120 Per Student

S-215, This course is designed to assist structure and wildland firefighters who will be making tactical decisions when confronting wildland fire that threatens life, property, and improvements, in the wildland/urban interface.

S-230 Crew Boss, 28-29 March \$120 per student

This course is designed to produce student proficiency in the performance of duties associated with the single resource boss position from initial dispatch through demobilization to the home unit. Training will include classroom discussion, sand table exercises (STEX) and field sessions.

S-212 Wildland Fire Chainsaws, 16-17 May \$120 per student

The course lessons provide introduction to the function, maintenance and use of internal combustion engine powered chainsaws, and their tactical wildland fire application. Field exercises support entry level training for firefighters with little or no previous experience in operating a chainsaw, providing hands-on cutting experience in surroundings similar to fireline situations. Training will include classroom discussion, sand table exercises (STEX) and field sessions.

S-130/S-190/L-180/ICS-100/IS-700 Firefighter Training, 7-9 March

Enrollment closes 25 February 2022 \$180 per student

Description

The intent of this course is to train new firefighters in basic Firefighting skills. This includes a required field exercise that may be arduous in nature. You will leave this course with everything you need in order to obtain a red card. Training will include classroom discussion, sand table exercises (STEX) and field sessions.

Objectives

- Describe the purpose of the Standard Firefighting Orders and Watch Out Situations.
- Describe what the Lookouts, Communications, Escape Routes, and Safety Zones (LCES) system is and how it relates to the Standard Firefighting Orders.
- Describe the various communication methods and tools used for collecting, producing, and distributing information.
- Describe the standards, tools and equipment, and various methods used in fireline construction.
- Describe the methods for extinguishing a fire with or without the use of water.
- Demonstrate the ability to construct fireline to required standards using various methods, tools and equipment, and techniques.

Target Group

Personnel desiring to be qualified as entry-level firefighters and support personnel.

Prerequisite Qualifications and Training

- Successful completion of S-190, Introduction to Wildland Fire Behavior.

S-131 Firefighter Type 1, 14-15 March 2022

Enrollment closes 4 March 2022 \$120 per student

Description

S-131, Firefighter Type 1 is designed to meet the training needs of the Firefighter Type 1 (FFT1) and/or Incident Commander Type 5 (ICT5). Topics include operational leadership, communications, LCES, and tactical decision-making. Training will include classroom discussion, sand table exercises (STEX) and field sessions.

Objectives

- Identify position responsibilities and demonstrate the ability to apply principles of Operational Leadership found in the *Incident Response Pocket Guide (IRPG)*, PMS 461.
- Describe how to incorporate and maintain open lines of communication with appropriate personnel.
- Identify Look Up, Down and Around indicators, and demonstrate the ability to apply the components of Lookouts, Communications, Escape Routes, and Safety Zones (LCES) as described in the *IRPG*.
- Demonstrate the ability to apply tactical decision-making procedures.

Target Group

Personnel desiring to be qualified as Firefighter Type 1 (FFT1) and/or Incident Commander Type 5 (ICT5).

Prerequisite Qualifications and Training

- Students must be qualified as Firefighter Type 2 (FFT2).

S-215 Fire Operations in the Wildland Urban Interface, 21-22 March 2022

Enrollment closes 11 March 2022 \$120 per student

Description

S-215, This course is designed to assist structure and wildland firefighters who will be making tactical decisions when confronting wildland fire that threatens life, property, and improvements, in the wildland/urban interface.

Objectives

- Operate safely and effectively in a wildland urban interface incident by using situation awareness, performing structure triage, using pre-planning tools, having a basic understanding of fire behavior, and using strategy and tactics unique to the wildland urban interface environment.

Target Group

Designed to assist any emergency responders who will be planning for and making operational decisions during an interface incident.

Prerequisite Qualifications and Training

- Qualified as a Firefighter Type 1 (FFT1)

S-230 Crew Boss, 28-29 March 2022

Enrollment closes 18 March 2022

\$120 per student

Description

This course is designed to produce student proficiency in the performance of duties associated with the single resource boss position from initial dispatch through demobilization to the home unit. Topics include operational leadership, preparation and mobilization, assignment preparation, risk management, entrapment avoidance, safety and tactics, offline duties, demobilization, and post-incident responsibilities. Training will include classroom discussion, sand table exercises (STEX) and field sessions.

Objectives

- Describe crew boss responsibilities prior to and during mobilization, on the incident, and during demobilization.
- Identify the hazards and risks on various incidents and describe how to mitigate them
- Describe tactics which are appropriate to various wildland fire situations and procedures to implement them through the chain of command.

Target Group

Personnel desiring to be qualified as any single resource boss.

Prerequisite Qualifications and Training

- Qualified as Firefighter Type 1 (FFT1).
- Successful completion of Intermediate Wildland Fire Behavior (S-290).

S-212 Wildland Fire Chainsaws, 16-17 May 2022

Enrollment closes 6 May 2022

\$120 per student

Description

The course lessons provide introduction to the function, maintenance and use of internal combustion engine powered chainsaws, and their tactical wildland fire application. Field exercises support entry level training for firefighters with little or no previous experience in operating a chainsaw, providing hands-on cutting experience in surroundings similar to fireline situations. Training will include classroom discussion, sand table exercises (STEX) and field sessions.

Objectives

- Define and apply chainsaw safety standards as required by OSHA and agency handbooks, manuals, directives, and owner's manuals.
- Identify and demonstrate basic chainsaw operation, troubleshooting, maintenance, and safety features.
- Demonstrate the tactical application of chainsaws in fireline construction and mop up operations.

Target Group

Individuals desiring to be qualified as Basic Faller (FAL3), Firefighter Type 1 (FFT1), Incident Commander Type 5 (ICT5), or Felling Boss, Single Resource (FELB).

Prerequisite Qualifications and Training

- Qualified as a Firefighter Type 2 (FFT2).
