TCR FIRE FIGHTER 1 PRESENTS

# HAZARDOUS MATERIALS AWARENESS/ OPERATIONS

Hazardous Materials Awareness/Operations is a hybrid course, consisting of student online participation and hands-on skill practice that provides responders with the knowledge, skills, and abilities necessary to analyze, plan, and implement performance-defensive response actions for hazardous materials (HAZMAT) incidents. This course trains responders to National Fire Protection Association® (NFPA®) 1072. Upon successful completion students will have the opportunity to take the Colorado Division of Fire Prevention and Control written and practical test.
