

Colorado State Fire Fighters Association  
Is rolling out it's classes for the  
June 104<sup>th</sup> Fire College  
At South Metro Training Grounds (Parker)

## Scene Size Up

Firefighters and Fire Officers on Painting the Picture.

Michael Scott- Fire Chief of Nederland Fire Rescue, prior Colorado State Fire Training Director/Section Chief of professional Qualifications and Training. Before going to the DFPC he was a Division Chief for Colorado River Fire Rescue. EMS educator at Red Rocks Community College for several years as well as Chief of EMS and Training for Crested Butte Fire Protection District. Michael has been in the Fire and EMS community for more than 26 years advancing his career and education. Michael has a Bachelor Degree in Fire Science and a Master's Degree in Emergency Management.

---

Chief Beau Edic is the Unit Chief of Training for DFPC/PQT Section. Chief Edic was a full-time firefighter. This position was on a combination department that was growing quickly. After gaining some ground he began instructing other firefighter and became an "unofficial leader." With the growth of the department on the rise I was promoted to Lieutenant. This position allowed Beau to really learn his new passion of teaching others.

When you arrive on scene the first few minutes can make or break the next few hours.

Come and learn how to conduct an organized size up of a structure fire.

Students will be given the opportunity to practice size ups and making initial assignments.

This is a great session for both the rookie and the senior firefighter.

Class is Saturday June 25, 2022 - 8:00 to Noon

This class is a classroom only

Class Fee is \$ 75.00 per student

No PPE needed
