

FEMA/ NFA Incident Safety Officer

July 17th and 18th 2017
0900-1700

Greater Eagle Fire District
425 E 3rd St. Eagle CO 81632

Course Description

This two-day course examines the Safety Officer's role at emergency responses. A specific focus on operations within an Incident Command System (ICS) as a Safety Officer is a main theme. Response to all-hazards types of situations will be emphasized.

Selection criteria

Individuals who have a Safety Officer responsibility at emergency operation situations. Individuals attending this course should have a working knowledge of ICS as taught by the National Fire Academy, building construction principles, hazardous materials management, applicable National Fire Protection Association guidelines, and federal regulations.
