

NFPA 1851

PPE Selection, Care, and Maintenance

Hosted by: *Strasburg Fire Protection Dist. #8 and Fired Up Rescue*

Date & Time: Saturday, June 9th, 8:00am - 4:00pm

Location: Strasburg FPD #8, 56281 E. Colfax Ave. Strasburg

Program: This class will be based on NFPA 1851 – *Standard on Selection, Care, and Maintenance of Protective Ensembles for Structural Fire Fighting and Proximity Fire Fighting*. Presentations will provide an overview of the entire Standard including risk assessment, selection, storage and retirement. The emphasis, however, will be on cleaning and inspection – when and how. The class will be a combination of presentation and hands on demonstrations.

Instructors

Kirk Owen

- Assistant Chief, Plano Fire Department (Retired)
- Former Chairman of NFPA Technical Committee responsible for NFPA 1851 & NFPA 1971
- Veridian Regional Sales Manager

Jim Evans

- NFPA 1851 SME & Former Instructor at Texas A&M Fire School (TEEX)
- President, Solutions Safety Products

Certificate of Training: All attendees will receive a certificate at the end of the class documenting they have received the training necessary to conduct Advanced Inspections and Advanced Cleaning on their PPE.

Cost: \$25.00 per person

Santiago breakfast burritos and a lunch will be provided.

For your class reservation please call Becky @ (307)331-2349 or email beckyg@fireduprescue.com .
