

UCHealth's Clinical Education and Innovation Center
is offering NAEMT's
Geriatric Education for Emergency Medical Services (GEMS)
Course in Northern Colorado!

June 25, 2019 and November 12, 2019

The GEMS course provides EMS practitioners with the skills and knowledge to address the unique medical, social, environmental and communications challenges of older adults. Developed by NAEMT in partnership with the American Geriatrics Society, GEMS empowers EMS practitioners to help improve medical outcomes and quality of life for geriatric patients.

The GEMS course is offered at no cost
