Fire Officer III (Sept 8-12)
Class Size: 20

IFSAC- Pro Board Certification Course

Course Description

THIS [COURSE REQUIRES THE SUPERVISOR VERIFICATION FORM](#) WHICH MUST BE EMAILED TO DFPC AT THIS ADDRESS [CDPS_DFS_Certification@state.co.us] WITHIN 15 DAYS OF RECEIPT OF REGISTRATION. THE COMPLETION OF REGISTRATION AND VERIFICATION FORM DOES NOT GUARANTEE ENROLLMENT IN FOIII COURSE. APPLICANTS WILL BE NOTIFIED OF THEIR APPLICATION STATUS.

This Fire Officer III course is designed for upper-level management or executive positions who lead and manage a division or organization and satisfies the requirements of the National Fire Protection Association (NFPA 1021). The course is intended to develop knowledge, skills, and abilities in guiding the operations, administration, and development of an emergency service organization. Subject matter includes interfacing with the public and civic leaders, developing policies and procedures, and developing and managing budgets. Successful completion of the course will allow the candidate to pursue certification through the Colorado Division of Fire Prevention and Control.

Prerequisite: Attendees must be current Colorado State Certified Fire Officer II.
